

Chicago Land-use assignment

CHICAGO WILDERNESS: Land Cover in Illinois

Land Use Assignment

- 1. From studying this map, rank the six counties according to the percentage of land each has dedicated to the following four categories (1= the largest % and 6=the smallest %):**
 - A. Urban and Built Up Land**
 - B. Crop Land**
 - C. Wetland**
 - D. Wooded and Forested Land**
- 2. You are a developer and have to choose a location within the 6-county Chicago Metropolitan Area to build the following:**
 - A. An amusement park**
 - B. A nature preserve**
 - C. A mega-mall**
 - D. A retirement Community**

- **First determine in which county would you put each development in? Why would you put it there? Fully explain your answer.**
- **Consider what the primary goals and needs are for each project (transportation, proximity to various services, population centers, etc.).**
- **Is this a for-profit venture or a not-for-profit?**

- **Create a very short powerpoint (2-3 slides) with images of the maps of the various locations you've chosen. Turn in your completed, typed answer and be prepared to discuss/defend your choices. Make sure your answers are based in reality. (Putting another Amusement park in Gurnee is not realistic.)**
